I heard (we were not part of NRT invite).

Our website is supposed to be redirected to an epa.gov website, I'll find the link. SitRep is supposed to be coming out sometime this morning. And call below is to restart what was supposed to be daily calls. Last night was R9's first, if I understand correctly.

NRT briefing rescheduled from yesterday to today at 2 PM MDT.

How about putting some stuff up on your web site that I can use to feed my 'beast' (which is very hungry)? R6 and R9 are doing daily updates, and R9 is doing daily RRT calls.
